

THE YEAR

1989

TIGER ROAR

LITTLE HEARTS EASE
INTEGRATED SCHOOL

With great admiration, we the classes of 89 dedicate this yearbook to a former student of our school, Zane Peddle.

Zane was a student of our school from the years of 1971 to 1984. He was loved by all his teachers and his fellow students. He leaves us with the memories of his beautiful drawings and poems.

To the family of the late Zane Peddle we would like to thank you for the memories we shared with him.

To Mom:

SNOWFLAKES AND DREAMS.

Though some dreams like snowflakes
may quickly fade away,
They never really leave us
But return another day.

Some may linger longer and brighter
many hour while others vanish quickly,
and leave us feeling sour.

Then along comes another
and if it too should fade,
It'll be followed by another
an endless grand parade.

So, let us not be daunted
when some should molt away,
There's better one's to follow
and some will come to stay.

Superintendents message.

FROM THE OFFICE OF THE SUPERINTENDENT

Dear Students:

Thank you for the opportunity of contributing to your yearbook. Although the production of a good yearbook requires tremendous dedication on the part of both staff and students the end result makes it all worthwhile. More than any other single item, the yearbook will, in years to come, awaken memories of your school days - memories that you will forever cherish.

William Butler Yeats once said "Education is not the filling of a pail, but the lighting of a fire". My fondest wish is that your years at Little Heart's Ease School will ignite a fire that will inspire you to greater accomplishments.

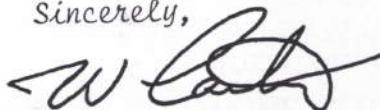

My sincere best wishes to the graduates. The fact that you are a part of the graduating class is evidence of your determination and perseverance. Many opportunities are now afforded you. Remember -

*"It's them that takes advantage
that gets advantage in this world"*

George Eliot

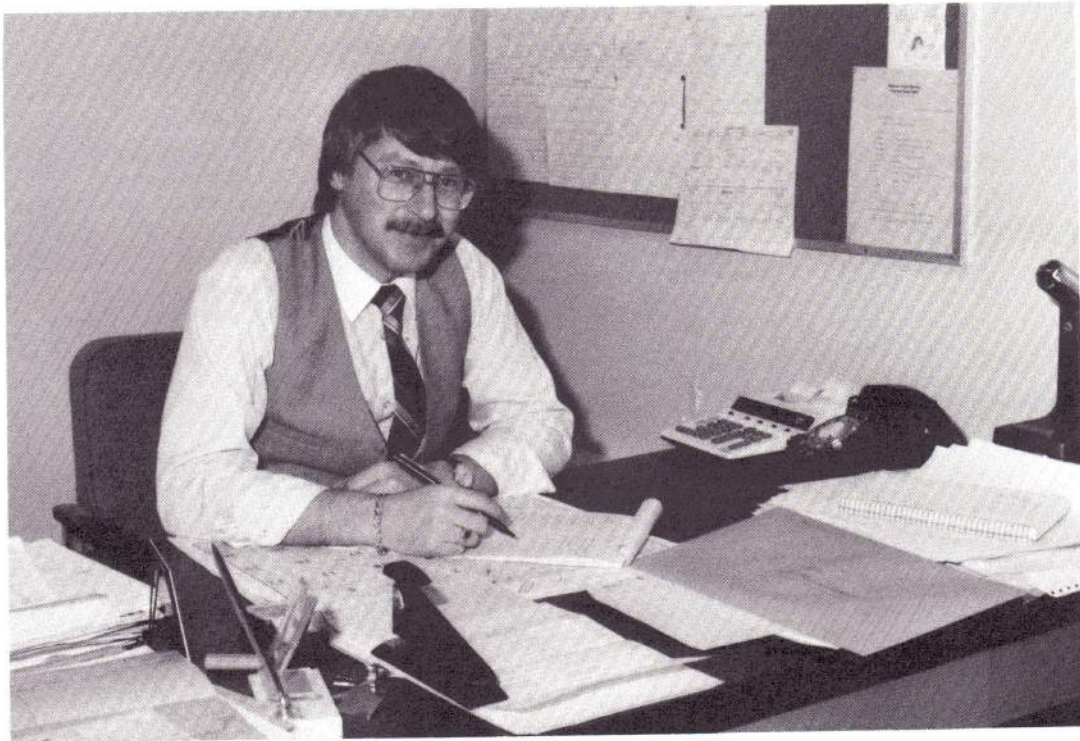

Best wishes for a very successful year.

Sincerely,

William Carter
District Superintendent

Principal's Message

It appears that Tiger Roar '89 will be even bigger and better than Tiger Roar '88. The Yearbook Staff is to be congratulated for their long hours of work and dedication to such a worthy project.

It is difficult to realize that yet another school year is drawing to a close. It has been a year filled with special events and achievements. Your yearbooks will help you in the years to come to focus on your years in school and will become increasingly valuable as time goes by.

My best wishes to you all!

Editors Message

It has pleased me greatly to serve you as the editor of our second edition of "Tiger Roar". Once more the students and staff have given willingly and eagerly to contribute to our book, and once again it was a job well done.

I would like to thank everyone who participated in the production of our 88-89 edition.

I hope this dedication continues to flourish and that the successfulness of this book continues to increase over the coming years.

Good luck with your future yearbooks as well as your endeavours.

Feelings

Feelings are things which are inside of you
Sometimes you're happy and sometimes you're blue
People have many feelings to share
When you share feelings, people do care

Many feelings are as tall as trees
Which store honey for the little bees
Other feelings are as short as me
So open your feelings with a little key

Lighthouse

Lighthouse, lighthouse what do you see?
I see a boat looking at me.
Lighthouse, lighthouse what do you see?
I see a man trying to see me.
Lighthouse, lighthouse what do you see?
I see rocks under me.
Lighthouse, lighthouse what do you see?
I see my light shining at me.
Lighthouse, lighthouse what do you see?
I see waves splashing at me.
Lighthouse, lighthouse what do you see?
I see my stairs going up and down me.
